International Trade Final Exam Questions And Answers

The previous unit addressed why nations trade by describing the causes and effects of international trade and the functioning of a trade world economy. While this question is interesting in and of itself, its answer is much more interesting if it helps us determine what a nation's trade policy should be.

ECON307: International Trade | Saylor Academy

International Trade Law (5014): This course will survey the law and policy of modern international trade agreements, with an emphasis on the treaty network of the World Trade Organization (WTO) and certain other arrangements to which the United States is a party, as well as U.S. laws governing "unfair trade practices" such as subsidization and dumping.
