While modern books are born digital, books old enough to be in the public domain may never have seen a computer. Google has been scanning books from public libraries and other sources for several years. That means you've got access to an entire library of classic literature that you can read on the computer or on a variety of mobile devices and eBook readers.

Investment Analysis And Management By

INVESTMENT ANALYSIS AND PORTFOLIO MANAGEMENT, Tenth Edition, teaches readers how to manage their money to derive the maximum benefit from what they earn. From asset allocation to selecting investments in a global market, this book gives readers a solid foundation in personal finance and presents the same tools used extensively by professionals, organizations, and schools across the country.
