Iracing Car Setup

Where to Find Setups for iRacing. If you've been on iRacing for long enough to get out of the fixed series and into the opens, you'll know exactly how important setups are for your car. They can quite literally be the difference between first and last place and the higher the strength-of-field, the more that they will determine that.

Where to Find Setups for iRacing | Complete Sim Racing

It is easier to dial a car out than to dial it in. The baseline setups supplied with each car are pretty good. Before you make any chassis change to a car it is essential that you first establish a repeatable lap time that will serve as a baseline to determine whether a change helps or hurts.

iRacing Car Setup Guide
