Ishiwara Kanji was not well-known as an important personality in the literature of WW2. One reason could be his diminished role by the time the Pacific War started. However one can argue that he played an instrumental role in pushing Japan eventually into the war, the title of the book alludes to this. This is not an implausible argument.

In fact, the origins of the conflict go back well before, when, ten years earlier, Manchuria was invaded by a now-forgotten Japanese general: Kanji Ishiwara. From the 1920s onwards, he set out to propel Japan on a path of confrontation with America and its Allies. Paradoxically, whereas he had predicted this war and done everything in his power to trigger it, he desperately tried to stop it once it was launched.

By mapping the military history of the world (see also-- diagrams adapted from Mark Peattie, Ishiwara Kanji and Japan's Confrontation with the West), and through the influence of his own apocalyptic brand of Nichiren Buddhism, in the 1920s Ishiwara came to believe that the world was accelerating towards what he called the Final War (最終戦争, saishū sensō) between the East and the West, represented by their hegemonic powers, Japan and the United States. He viewed it as an urgent ...

Kanji Ishiwara is a name most certainly do not know. As a general in the Imperial Japanese Army during World War II he earned enemies on both extremes of the political spectrum because he was, essentially, a humane imperialist. That meant he was too humane for the radical militarists and too much of an imperialist for the self-hating liberal crowd.

In 1931 Staff Officer Ishiwara Kanji, a devotee of the Nichiren sect, masterminded Japan's conquest of Manchuria, which abruptly ended Tokyo's cooperation with the great powers. Ishiwara also envisaged a permanent era of universal peace following a world war in which Japan would emerge victorious over the U.S.

### **Kanji Ishiwara - Axis History Forum**

The Cambridge History of Japan - April 1989. INTRODUCTION. As Taichirō Mitani showed in Chapter 2, Japan's conservative political parties (kisei seitō) surmounted the obstacles to parliamentary influence in the Meiji constitution and during the 1920s occupied a prominent position in both the lower house of the Diet and the cabinet. From 1924 to 1932, the two conservative parties
