man-eating tigers and leopards in the Himalayas. His remarkable story lives on in books by and about him, and in local folk tales and songs. The Champawat man-eater that reportedly killed 436 people was one of many man-eating tigers that roamed the Himalayan foothills of north India and Nepal in the early 20th century.

This is the story of the sort of British imperialist in India who is seldom now remembered. Jim Corbett came of an undistinguished family who had lived in India for generations, and although British in his race, dress, speech and habits, simply was an Indian in his own country, as much as anyone of Indian descent can be British

Jim Corbett, the author of this short story, had pity on this stranger lying on the banks of the sacred Ganges. Immediately, Jim Corbett took him to an empty punkah coolies' house next to his bungalow and placed him on the bed. He identified that the sick man was infected with cholera and there was no hope for his recovery.
