Kartography

The translation into Latin and dissemination of Geography in Europe, in the beginning of the 15th century, marked the rebirth of scientific cartography, after more than a millennium of stagnation.

Cartography - Wikipedia

Kartography is a book set in my dear hometown, Karachi. I guess that is reason enough to love it; but that is not the only reason. At it's heart, Kartography is a beautiful love story between two childhood best friends who are a made-for-each-other couple...it just takes them some time to reconcile to that fact.
