About this book. Concepts have a particular importance for students of politics and international relations. Political argument often boils down to a struggle over the legitimate meaning of terms and enemies may argue, fight and even go to war, each claiming to be 'defending freedom', 'upholding democracy' or 'supporting justice'. The problem is that words such as 'freedom', 'democracy' and 'justice' have different meanings to different people, so that the concepts themselves come to seem ...

Politics is the process by which people decide how to live together - whether it is a family, a school, or a nation. Government is the system used to make the decisions. There are many different systems of government - ranging from autocracy to democracy. In a democracy everyone has the right to an equal say, and decisions are made through discussion and voting.

### Government & Politics - Living Democracy

political concept. For Schmitt, political concepts are concepts that are used against specific enemies. Every political concept, he writes, is a polemical concept. The words that signify such concepts do not simply refer to a political practice or evoke a political ideal but are introduced in order to refute, marginalize or discredit an adversary.
