The club is actually a limited company whose sole aim is to further the appreciation, restoration and driving of all Land Rovers built between 1958 and 1971. The Series 2 Land Rovers are instantly recognisable, the world over by the curvy barrel sides; the quintessential Land Rover look.

The Series 2 Landrover Club
Land Rover Many Land Rover historians consider the Series IIA to be the best of the Series models, it exists in a Goldilocks zone between refinement and simplicity - before the crack-prone plastic dashboards of the Series III but after some engine and transmission improvements over the Series II.

Land Rover Series IIA - Silodrome
After the original Land Rover conquered the globe and set out its stall as a truly iconic vehicle, the second generation arrived in 1958 - sporting fewer sharp edges and numerous engineering upgrades. It proved to be a winning formula, with record sales figures and improved dependability.
