### Quizlet

Hi people, I was hoping to find out what the best list of Kanji radicals to work on would be. I'm going to try and get a more vivid and complete understanding once and for all and do it by learning radicals, and then kanji with keyword->writing (writing on paper to learn, followed by palm writing for Anki studying).

### **Best Kanji Radical List for use with RTK? (and Anki ...**

Kanji radicals not recognized by Kangxi. These radicals are either listed as variants or not listed at all in the kangxi radical table. The 214 Kangxi radicals are technically classifiers as they are not always etymologically correct, [3] but since linguistics uses that word in the sense of "classifying" nouns (such as in counter words) dictionaries commonly call the kanji components radicals.
