Kundalini

Apparently, Kundalini energy can be present and active at birth. Those with this activated energy can live a life of hardship (pgs 58-59) from childhood until that time in life when by way of their many hardships they come to terms with life and embrace what they have been given. This included their gifts and talents.

Biology of Kundalini: Bibliography - Consciousness and ...

There is a spiritual energy dormant below the base of the spine. In the east it is called the Kundalini, but whatever name it is called, it is a common denominator in all major religions. People with awakened Kundalini experience death before physically dying through visions and out of body experiences, ultimately leading to a spiritual rebirth.
