The nexus test for determining whether a person is armed requires that there must be a relationship between the defendant, the crime, and the deadly weapon in order to establish that the defendant was armed for purposes of the deadly weapon enhancement statute. Under the direct nexus test, the inquiry must be whether there is a sufficiently close nexus between the state and the challenged action of the regulated entity so that the action of the latter may be fairly treated as that of the ...

But implementing legal project management will pay off in the long run, because not only does it help law firms and practitioners work more efficiently and increase client satisfaction, it also gives them a competitive edge. So, let's take a look at five project management lessons that are worth incorporating into the legal industry. 1.

Five Lessons on Project Management for the Legal Industry ...

SLDR: In our book, The Power of Legal Project Management, a Practical Handbook, published by the ABA in 2014, we define legal project management as a proactive, disciplined approach to managing legal work that involves defining, planning, budgeting, executing, and evaluating a legal matter. Simply put, it is a step by step approach to help ...

Defining Legal Project Management - Law Technology Today

By Emmy Godwin Inobi May, 2005 Introduction Nigeria and South Africa could be likened to the Biblical Aaron and Moses, who were endowed with the responsibility to bring Africa out from the bondage of despair, decline and underdevelopment. As regional powers, history has imposed on them the enormous task of finding solutions to some of the most pressing African concerns.

Consultant to the Legal Profession, Susan Ranidon Lambreth has more than 25 years of experience as a consultant to the legal profession. Susan has helped many of the largest firms in the U.S. implement strong practice group management (including more than 40% of the AmLaw 200) and/or train their Practice Group Leaders.

Should Lawyers be Project Managers? | Legal Executive ...

"conflict management" and the need to find a solution. Both conflict management and a satisfactory solution are easier to attain when it is accepted that what we normally call conflict is a complex, multi-dimensional phenomenon. It is not caused by "inadequate" structures, nor is it undesirable. It is natural and inevitable and, properly ...
