The Mercedes Navigation W211 E class Comand NTG2.5 lets you halt at sightseeing spots, which come in the route of your journey, as this receiver alerts about various points of interest. It has a 6.5-inch screen with a user-friendly interface and comes with a 3D map view so that you can drive through with convenience.

Mercedes Navigation W211 E class Comand NTG2.5 for sale ...

Somewhat confusingly, COMAND 2.5 (not to be confused with the much later COMAND-APS NTG2.5) actually refers to the first generation of COMAND systems, introduced on the W220. The "2.5" label seems to refer to the fact that the main COMAND unit for this first generation had a height of 2.5 DIN. This COMAND system had a cassette drive, a built-in CD drive for the navigation map discs, an FM/AM radio tuner, a 4-channel amplifier and external connectors to other systems.

I recently retrofitted a full NTG 2.5 entertainment system to my W219 CLS (see this post). Among other things, this system has the ability to receive DAB radio broadcast here in the UK by using an additional DAB Tuner module. I managed to source the genuine Mercedes part (A204 870 54 90) and fitted this into the car.

The antenna power on NTG2 cars is driven from the COMAND, on NTG2.5 cars its controlled by another control unit (Rear SAM). The FM antenna connectors are different, and the AUX wiring now connects to different points on the multiway connector.

Comand Online Ltd

Your new NTG2.5 unit would handle about the same amount of music in MP3 format on the DVD drive as your CD changer would hold on six CDs. In addition you can use the memory card (is it an SD-card slot in this unit?).
