### **Imperial Japan Swords 1868-1945 Japanese Military Etc**

The history of Japan during the Imperial Age, 1868 to 1945, is rich and complex. Japan went from a feudal and secluded Asian nation to a world powerhouse in less than fifty years. Japan's relationship with the United States was just as complicated, moving from reluctant trading partner to ally in war to enemy.

### **Japanese Military and Civilian Award Documents 1868-1945 ...**

The military history of Japan chronicles a vast time period over three millennia from the Jōmon 1000 BCE into the modern day. It is characterized by a long period of clan warfare until the 12th century CE. This was followed by feudal wars that culminated in military governments known as the Shogunate. Japanese history is distinguished by that the military class with the Shōgun ruled Japan ...
