Modern Kusudama Origami : Designs for modular origami lovers

My first origami model (I don't count paper planes) was a traditional kusudama, which I assembled with my friend at school. I fell in love with kusudamas at that point. I can't say that origami changed my life; I'm too young for such statements. Though it's very important and interesting to me it's still a hobby.

Origami Tornado Kusudama Tutorial - video dailymotion

Modern origami practitioners generally discourage the use of cuts, glue, or markings on the paper. Origami folders often use the Japanese word kirigami to refer to designs which use cuts. The small number of basic origami folds can be combined in a variety of ways to make intricate designs. The best-known origami model is the Japanese paper crane.
