Duke University Press - Narrating the Past

In recent years controversy has surrounded the narrative turn in history and the historical turn in fiction. This book clarifies what is at stake, tracing connections between historiography and life-writing, arguing that the challenges posed in representing the past illuminate issues which are central to all literary narrative.

Introduction: Narrative Intimacies: Fiction and History ...

3: Historical narrative In genres such as biography, autobiography and various historical subgenres (e.g. historical romance or WWII fiction), a lot of narration recounts events in the past. Of course, the author may choose to tell a war story in a tumultuous present tense. There's no single way to narrate the past.

What is Narrative? 5 Narrative Types and Examples | Now Novel

Narration is the use of a written or spoken commentary to convey a story to an audience. Narration is conveyed by a narrator: a specific person or unspecified literary voice, developed by the creator of the story, to deliver information to the audience, particularly about the plot (the series of events). Narration is a required element of all written stories (novels, short stories, poems ...

In linguistics and rhetoric, the historical present or historic present, also called dramatic present or narrative present, is the employment of the present tense when narrating past events. It is widely used in writing about history in Latin and some modern European languages. In English, it is used above all in historical chronicles. It is also used in fiction, for "hot news", and in everyday conversation. In conversation, it is particularly common with quotative verbs such as say and go, and
