Learn About - Cadillac

Many Cadillac vehicles are equipped with a navigation system. Because points of interests, such as restaurants, hotels and gas stations change, the navigation system requires an update from time to time. In addition, roads may change due to closings and new construction. There is no specific navigation update interval; instead, GM periodically issues update discs.

How to Update a Cadillac Navigation System | It Still Runs

Turn the system on by pressing the 'Pwr/Vol' knob once. This knob can be found at the lower left of the 'DIC' display. Next press the 'Info' button which is located to the left of the display. This is used to access the 'Vehicle Information' menu.
