The following z clauses are intended for UK Government clients when using the NEC3 forms of contracts. These clauses are additional conditions to the main NEC3 contract and are not intended for independent use.

NEC3 engineering and construction contract Z clauses

Launched in 1993, the NEC Engineering and Construction Contract has become one of the UK's leading standard forms of contract for major construction and civil engineering projects. The third edition, popularly known as NEC3, is a process based contract embodying project and commercial management best practice, so its basic philosophy differs from the more adversarial approach of other standard construction contracts.
