The Struggle is My Life: Mandela, Nelson: 9780873486620 ...

A conspiracy theory rocketing around South African social media claims that the real Nelson Mandela died in 1985. It's a desperate attempt to make sense of the rampant inequality still gripping the post-apartheid country — but only socialist politics, not conspiracy theories, can diagnose the problem and offer a just solution.

Political Struggle Is the Answer — Not Conspiracy Theories

Mandela fought against apartheid, a system of white supremacy in South Africa. Under apartheid, everyone was put into one of four racial categories: “white/European,” “black,” “coloured,” or “Indian/Asian.” Non-white South Africans were second-class citizens with little or no political power.
