Curley hints at backstory that she never really takes the time to unfold or piece together at any point for the readers. You've got obligatory group of popular mean kids who remain popular and mean to the very end, you've got the kindly old grandmother, and the mega boss bad guy who seems to be evil for evil's sake.

Marianne Curley - Wikipedia

“Marianne Curley made me believe that people can really time travel by reading her book, The Named. In this book of uncertainty and great ideas, not everything is what it seems. Fantasy and reality come together in this book where worlds and dimensions collide. The Named is the first book in the Guardians of Time Trilogy by Curley.”

Cool teenage magic romance with time travel, please don't be asking for miracles and don't touch anything else by Ms Curley! "Old Magic" was for me the fanfic before the fanfic, it has two teens forced to timetravel to the past and be fake married to discover how the curse placed upon one of them came to their family.

Thank you Kelley. Old Magic has quite a lot of covers. It was translated into about a dozen languages and some of the covers were amazing and others took me by surprise, but I won't mention the one's I wasn't very keen on! Mostly, the designers in the various publishing houses did a wonderful job. Good luck with teaching your class. Marianne
