Oracle Apex 40 Installation Guide - indivisiblesomerville.org

One of (or should I say "another of"!) the very cool features of Application Express (APEX) is that by being a database-centric software installation, patching of the product can be done very efficiently and easily by simply loading fresh versions of the underlying PL/SQL source.. The reason loading PL/SQL source is such a good thing is that when you load PL/SQL source that is unchanged ...
