## **Poor | definition of poor by Medical dictionary**

Poor describes having little of something. If you lack needed food and shelter, you're poor, and if you fall below a standard or don't even try, you're giving a poor performance. Empty pockets and empty efforts both mean poor. Rich or wealthy often serve as opposites of poor.

## **poor - Dictionary Definition : Vocabulary.com**

When the word "poor" is used to express pity, it does not change the meaning of the sentence. For example, in the sentence "Give this soup to that poor man!", the word "poor" does not serve to indicate which man is meant (and so the sentence expresses exactly the same command as "Give this soup to that man!").
