The Dubai Ports World controversy began in February 2006 and rose to prominence as a national security debate in the United States. At issue was the sale of port management businesses in six major U.S. seaports to a company based in the United Arab Emirates, and whether such a sale would compromise port security. The controversy pertained to management contracts of six major United States ports. The purchaser was DP World, a state-owned company in the UAE. The contracts had already been foreign-
