Porter - Brewers Publications

Porter is a style of beer that was developed in London, England in the early eighteenth century. It was well-hopped and dark in appearance due to the use of brown malt. The name originated due to its popularity with street and river porters. The popularity of porter was significant, and it became the first beer style to be brewed across the world, and production had commenced in Ireland, North America, Sweden and Russia by the end of the eighteenth century. The history of stout and porter are in

Porter - American. Inspired by the storied English Porter, the American Porter tends to make its own rules. With plenty of innovation and originality brewers in the US have taken this style to a new level, whether it's highly hopping the brew or adding coffee or chocolate to complement the highly roasted and burnt flavor associated with this type of beer.
