Postmodern American Poetry is a poetry anthology edited by Paul Hoover and published by W. W. Norton & Company in 1994. A substantially revised second edition in 2012 removed some poets and added many others, incorporating additional American poetry movements which came to prominence in the 21st century. The introduction identifies the use of postmodern with its early mention by Charles Olson, and identifies the field chosen as experimental poetry from after 1945. The book contains, besides poem
