While prostitution in the Czech Republic is legal, almost everything that surrounds the industry is not: keeping a brothel, is not, for example, legal. Quite what constitutes a brothel is a moot point however, for the laws are quite deliberately ambiguous. As such, individual cities tend to take their own approach, and Prague's has for many years been one of complete tolerance.

Regardless of whether you agree with it, since 1989, Prague has been Europe's sex tourist capital. This is due to the cheaper beer and the erroneous belief that prostitution is legal in the Czech Republic. Czech law is, actually, deliberately ambiguous, although the country's liberal MP's want to make the law clear and legalise the profession fully. For now, the focus is on toleration ...
