Aesthetic argument for imperfectionism 2.1. Sensuous qualities. Perfectionism impoverishes our aesthetic lives because it limits the range of sensuous qualities for appreciation. Imperfect objects are usually characterized by irregularity, disorder, complexity, and rough surfaces.

The Role of Imperfection in Everyday Aesthetics

Abstract In past decades, the subject of atmosphere has gone beyond the physio-meteorological scope and become a new concept of aesthetics. As the primary sensuous reality constructed by both the perceiving subject and the perceived object, atmosphere is neither a purely subjective state nor an objective thing, but essentially is a quasi-object pervaded by a specific emotional quality and a ...

Openly influenced by Heidegger, the later essays on language and poetry in particular, Gadamer's aesthetics is far from traditional. His key claims are: Aesthetics is not the study of specific types of subjective pleasures derived from art. It is a study of what objectively informs our subjective awareness of art.

Gadamer's Aesthetics (Stanford Encyclopedia of Philosophy)

Aesthetics in Continental Philosophy. Although aesthetics is a significant area of research in its own right in the analytic philosophical tradition, aesthetics frequently seems to be accorded less value than philosophy of language, logic, epistemology, metaphysics, and other areas of value theory such as ethics and political philosophy. Many of the most prominent analytic philosophers have ...
