This is not the first guide to RV life. Not even close. But it is the first one written just for dummies like you. We're going to start at "I can barely spell RV" and take you down the path to RV aficionado. So grab a bottle of wine, make sure the dog is fed, and get comfy because we have a lot to cover.

## Home - RV for Dummies

"R for Dummies" is a very strong R learning resource because of its content and quality of explanations. I'll start this review off by saying up-front that this book's approach to teaching R wasn't my preferred way of learning a programming language. Most of this book, from the start, explains the features/functions of R.
