Ethnicity refers to cultural features used to classify people into groups or categories considered to be significantly different from others. Commonly recognized American ethnic groups include, among others, African Americans, American Indians, Latino/as, Chinese Americans, European/Anglo Americans, Muslim Americans, Jewish Americans.

What do we mean by Race, Ethnicity and Diversity?

The emphasis on racial distinctions often results in the failure to acknowledge the ethnic and national diversity that various racial groups encompass. The negative effects of unequal race relations can be seen to this day, albeit to different degrees, amongst all non-European American groups. A model minority is a stereotype of a minority group that is considered to have achieved educational, professional, and socioeconomic success without threatening the status quo.

Race and Ethnicity in the U.S. | Boundless Sociology

The current study fills a void in the existing literature by examining (1) whether greater teacher diversity is associated with reductions in racial and ethnic suspension disparities and (2) whether greater teacher diversity interacts with the size of the racial and ethnic student population to influence suspension disparities.
