Adding a table of contents to your training manual is a must. If your training manual is heavy on pages, the importance of having a table of contents increases exponentially. Table of contents act provides navigation to the reader and helps them go to a particular topic quickly.

How To Create Training Manual: Steps and Template included

In the following video series I will touch the surface on how to get started with Propellerhead Reason 10. This project is a follow up on an article I wrote a few days back. While I had the idea to make a video series like this long ago (reason 9 even) I skipped doing it because Reason 10 was already announced by the time Reason 9.5 was just released.
