Time And Space

Time and Space (2015) is a sharp right-angled cross, made of shards of blue-grey Cornish slate. A distinct shape, the work acts like a marker, or religious monument. Boyhood Line (2015) is an off-site work among the verdant daisies and grass of the Bristol Downs, where Long used to play as a child. A meandering line of 170 meters made of white sandstone, it's a

circle of stones that Long made on a walk to Mount Parnassus in Greece, sacred to Apollo and the mythological home of the Muses, in 1999 only to be dispersed by himself in 2002, 1114 days later. The circle itself no longer exists, although there is documentation to this fact—in a move that is quintessentially Richard Long, he asks instead that we believe
