Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

S.U.M.O. stands for Shut Up, Move On. It's a phrase to say to ourselves (and sometimes others) when we are acting or thinking in a way that is hindering our ability to succeed. It doesn't necessarily mean 'get over it' or 'pull yourself together' (although there may be occasions when both responses are necessary).
