Saving Capitalism For The Many

Saving Capitalism is a very good guide to the state we're in." — The New York Review of Books "If you want to understand why income and wealth inequality are the economic, political, and moral issues of our time, you must read this book.

Saving Capitalism: For the Many, Not the Few: Reich ...

Saving Capitalism -- a dramatic title for a book that otherwise mostly avoids hyperbole -- begins with the premise that we must drop the typical way we frame liberalism and conservatism as big government versus small government.

Saving Capitalism: For the Many, Not the Few by Robert B ...

Saving Capitalism should be required reading for every American who wishes to understand the way our society works today. Unfortunately, though the book has already begun to climb on the bestseller lists, we can be sure that will never happen in an era when a megalomaniacal reality TV star is topping the polls in the Republican presidential primary competition.

Download [PDF] Saving Capitalism For The Many Not The Few ...

Saving capitalism : for the many, not the few. Perhaps no one is better acquainted with the intersection of finance and politics than Robert B. Reich, and now he reveals the cycles of power and influence that have perpetuated a new American oligarchy, a shrinking middle class, and the greatest income inequality and wealth disparity in eighty years. He makes clear how centrally problematic our veneration of the "free market" is, and how it has masked the power of the moneyed interests to tilt ...

Saving Capitalism: For the Many, Not the Few

The documentary is based on the book 'Saving Capitalism: For the Many, Not the Few' by Robert Reich. It follows the evolution of capitalism in America, from its beginnings to its current state. [4]

Saving Capitalism - Wikipedia

As the title may suggest, Saving Capitalism is a critique of the free market structures and modern-day capitalism. Reich argues that decision-making power is increasingly concentrated in the hands of a few, at the expense of the "many." The very rich get richer and more powerful, while the middle and lower classes get weaker and poorer.
