Security and Loss Prevention Defined  
Within our organized society, security is provided primarily by our armed forces, law enforcement agencies, and private security. The 9/11 attacks resulted in several changes in the way in which we organize public and private security. Post-9/11 security changes are covered in subsequent chapters.

### **Retail loss prevention - Wikipedia**

A. MANAGEMENT CONSIDERATIONS Risk management is sometimes considered to be an extra cost that, if avoided, will increase profitability. Not investing time or money in risk management programs may save a few dollars in the short term, but in doing so you increase the risk of major financial loss and/or increased insurance costs in the long term.
