Sentence Starters Worksheets | Teachers Pay Teachers

Sentence starters are the first word or phrase used in a sentence. They are important for increasing a child's vocabulary. Sentence starter activities are a great help for children in the classroom in expanding their vocabulary as well as expanding their confidence in independent writing activities such as story writing and poetry. Examples of sentence starters for children are:

Sentence Starters Displays - Resources for KS1 Year 1-2

These sentence openers are a great way for KS2 kids to get talking and writing. The word mat is separated into five columns, with each column representing a different type of sentence intention (for example, sentences that intend to indicate a time period, or sentences that intend to add information). Each column is then filled with suggestions of words or phrases that could be used to begin such a sentence (for example, a sentence about time could start with "One day...")
