Southern European welfare states: are they ready for ...

The southern European welfare states transfer a much higher proportion of social benefits to the highest income group than to the lowest one. Portugal leads this group of southern European countries, where the lowest income group receives clearly less than what the top receives: 11% of all cash benefits goes to the bottom 20% earners, whereas ...

The Welfare State in Europe | OpenMind

single-country studies of southern European social policy. These include attempts both to re-affirm the commonalities between southern European welfare states and their better developed northern counterparts and to 'reclaim' the specificity of southern Europe. An example of the first is Castles (1995) who, while deploring the neglect of

Southern European Welfare States, between crisis and reform (London: Frank Cass, 1997). P. Hespanha, 'The welfare state and the welfare society in semi-periphery, The case of Portugal' in N. Matsaganis (Ed.) Perspectives of the social state in Southern Europe (Athens: Ellinika Grammata, 1999) pp. 119- 137 (in Greek).

The argument for a " Southern European Welfare State"

It is particularly in the case of Southern European countries that a gendered point of view seems crucial, to define the specificities of a different path in developing social protection. On the other hand, comparative analyses on gender and welfare state only seldom consider Mediterranean countries.

Southern European Welfare Regimes and the Worsening ...

The European social model is a common vision many European states have for a society that combines economic growth with high living standards and good working conditions. Historian Tony Judt has argued that the European social model "binds Europe together" in contrast to the 'American way of life'. European states do not all use a single social model, but welfare states in Europe do share ...

European social model - Wikipedia

In the next sections of the paper, two South-European Welfare States will be examined: Portugal and Greece. They will be analyzed in two separate sections and the conclusions outlined at the end of the paper will emerge from their comparative examination.
