With over ten million copies in print, the Tarascon Pocket Pharmacopoeia is the world's leading pocket drug reference and has been the most popular and trusted source of point of care drug information since 1987.

### Tarascon

This book is a perfect, concise source for information in the general pediatrics setting---primary care, urgent care, ER, etc. The information is well presented in an easy to read and access format. It's layout is similar to the very popular Tarascon Pediatric ER book (the yellow one) that I found useful as well.
