Teach A Woman To Fish

"In Teach a Woman to Fish, Women Thrive Worldwide President Ritu Sharma illuminates an elementary truth too often overlooked by policy makers and development practitioners: throughout the world, a woman carries burdens that are not shared by her brothers. Drawing on her experiences working with US political institutions, global development agencies, and with women on the ground, she concludes, convincingly, that women's empowerment is both a fundamental driver and purpose of development."

The Problem With the Proverb About Teaching a Man to Fish. We've all heard the Chinese proverb, "Give a poor [wo]man a fish and you feed her for a day. You teach her to fish and you give her an occupation that will feed her for a lifetime.". It's a great concept, one that is popular with those who are more free market-oriented—they like the notion of hand-me-ups instead of hand-outs—as well as with those who tend toward socialism, as they like the idea of empowering the poor.
