Sphere. Summary: Arab politics will be torn for many years to come between the restless, critical power of the public sphere and the determined efforts of regimes, states, and old elites to maintain their domination. On January 25, 2011, millions of Egyptians poured into the streets to join a protest against the long and autocratic rule of President

Abstract. The main purpose of this article is to examine how Habermas' account of the transformation of the public sphere is used in the study of political change in the Arab states of the Middle East. The study aims to demonstrate that while Habermas' motif may provide several constructive pathways forward for the study of
