The Children Of The Sky

The Children of the Sky is a science fiction novel by American writer Vernor Vinge. It is a direct sequel to A Fire Upon the Deep and shares the Zones of Thought universe with A Deepness in the Sky. Unlike A Fire Upon the Deep, the novel is set completely on the Tines' world.

The Children of the Sky - Wikipedia

Continuing the universe of the brilliant 'A Fire Upon the Deep' and 'A Deepness in the Sky', with their starkly non-human yet deeply developed alien species, 'The Children of the Sky' returns us to the world of the first novel, but introduces very few new developments.

The Children of the Sky is, I think, clearly the middle volume of a trilogy, and it suffers from some of those fabled longueurs associated with such bridging installments. What I suspect Vinge is building toward is a breakout of the Tines from their isolated planet and into the interstellar setting where they will play an important part in the scheme of things.
