The Trouble with Re-Enchantment - Los Angeles Review of Books

It is a commonplace that the modern world cannot be experienced as enchanted—that the very concept of enchantment belongs to past ages of superstition. Jane Bennett challenges that view. She seeks to rehabilitate enchantment, showing not only how it is still possible to experience genuine wonder, but how such experience is crucial to motivating ethical behavior.

The Enchantment of Modern Life: Attachments, Crossings ...

In social science, disenchantment (German: Entzauberung) is the cultural rationalization and devaluation of religion apparent in modern society. The term was borrowed from Friedrich Schiller by Max Weber to describe the character of modernized, bureaucratic, secularized Western society. In Western society, according to Weber, scientific understanding is more highly valued than belief, and ...
