The SAGE International Encyclopedia of Travel and Tourism

Tourism is a new phenomenon in world history, but today more people travel long distances for this purpose than for any other. This entry traces some main contributions anthropologists have made to understanding tourism interactions since starting to study them in the 1970s. One common theme of much of this work has been that tourism often involves the extension of tourists'

Tourism | Cambridge Encyclopedia of Anthropology

Backpacker tourism is a key form of low-cost independent travel. As the name suggests, it means traveling "with a backpack," which in decades past often meant a framed backpack strapped to an individual's back but now involves many types of portable luggage while still metaphorically referring to self-directed journey routes and timings.

SAGE Reference - The SAGE International Encyclopedia of ...

Tourism is travel for pleasure or business; also the theory and practice of touring, the business of attracting, accommodating, and entertaining tourists, and the business of operating tours. The World Tourism Organization defines tourism more generally, in terms which go "beyond the common perception of tourism as being limited to holiday activity only", as people "traveling to and staying in ...

Tourism - Wikipedia

Tourism, the act and process of spending time away from home in pursuit of recreation, relaxation, and pleasure, while making use of the commercial provision of services. As such, tourism is a product of modern social arrangements, beginning in western Europe in the 17th century, although it has antecedents in Classical antiquity.

The SAGE International Encyclopedia of Travel and Tourism ...

TOURISM. Leisure travel is usually defined as voluntary, round-trip, and not related to employment or permanent relocation. Within that broad description lies the story of the American tourist as a mirror of social and economic trends, including the democratization of experience, the contest between artificial and natural environments, and the fragmentation of travel interests into niche ...

Tourism | Encyclopedia.com

The impacts of tourism include the effects of tourism on the environment and on destination communities, and its economic contributions. It has been part off the tourism discourse since the 1970s, with attention growing in recent years due to debates on overtourism. Impacts are not easily categorized, having direct and indirect components. Tourism is also often seasonal, and impacts only ...
