The Ethics Of Influence Government

"In this era of intransigence and intolerance, The Ethics of Influence is a vitally needed book. It embraces what all of us - left, right, and center - mutually want: a balance between the goals of welfare, autonomy, dignity, and self-government. What's more, it is a hoot to read. Roll over Mill and Marx; tell Hayek and Gramsci the news."

The Ethics of Influence: Government in the Age of ...

The main concerns for business ethics are where business has influence on government. Direct - Indirect / Public - Private / Information oriented - pressure oriented. 1] Lobbying - weakest form of direct, private business influence.

Government, Regulation & Business Ethics

2. Self-government might well be counted as an independent concern, though it might also be taken as derivative of one or more of the values of welfare, autonomy, and dignity. I do not give it separate treatment here, though as the examples suggest, we could imagine nudges that either promote or undermine the interest in self-government.

The Ethics of Nudging - Yale Law School
