First published in February 1936, just under a year from when the idea for it was first discussed, this is one of the most important and influential anthologies of the twentieth century. Since then three further editions by, in succession, Anne Ridler, Donald Hall and Peter Porter have been published.

### The Faber Book of Modern Verse by Michael Roberts

The Faber Book of Modern Verse really has made him stand out as one of my favourites. This little gem goes to show that there are some diamonds in the rough out there! Unfortunately, for my tastes, a couple of the "rough" were overlooked and allowed to appear...however, there's no accounting for taste, and poetry is very personal indeed.

The New York Trilogy is perhaps the most astonishing work by one of America's most consistently astonishing writers. The Trilogy is three cleverly interconnected novels that exploit the elements of standard detective fiction and achieve a new genre that is all the more gripping for its starkness. It is a riveting work of detective fiction worthy of Raymond Chandler, and at the same time a ...
