After the outbreak of the Arab revolt in 1936, David Ben-Gurion, Israel's founding father and the most significant Labor Zionist, adopted the premises, analysis, and prescription of the Iron Wall. And this was the basic Zionist strategy in the conflict in the last one hundred years.

Israel's Iron Wall Still Stands After Nearly a Century

An interesting fairly impartial analysis of Israel's 'Iron Wall' approach towards it's Arab neighbours. While it deserves credit for not falling into the trap of repeating endless state-sponsored political rhetoric, it lets itself down by running through the entire history of the conflict from a distinctly Israeli viewpoint.

The Iron Wall . We cannot offer any adequate compensation to the Palestinian Arabs in return for Palestine. And therefore, there is no likelihood of any voluntary agreement being reached. So that all those who regard such an agreement as a condition sine qua non for Zionism may as well say "non" and withdraw from Zionism.

This strategy of the Iron Wall served Zionism and Israel relatively well from the 1920s to the end of the twentieth century. Converging streams of evidence now suggest, however, that Israel is abandoning that strategy, posing the question of whether Israel and Israelis can remain in the Middle East without becoming part of it.
