The Man of Numbers: Fibonacci's Arithmetic Revolution [Excerpt]
Before the 13th century Europeans used Roman numerals to do arithmetic. Leonardo of Pisa, better known today as Fibonacci, is largely...

The Man of Numbers: Fibonacci's Arithmetic Revolution ...

Very little is known about the life of the man we now refer to as Fibonacci. He was born Leonardo Bonacci in Pisa, Italy, around 1170 AD. Leonardo was the son of a customs agent and spent some time interacting with Muslim merchants, where he is thought to have learned the basics of the Hindu-Arabic number system which we still use today.
