Ovid's decision to make myth the dominant subject of the Metamorphoses was influenced by the predisposition of Alexandrian poetry. However, whereas it served in that tradition as the cause for moral reflection or insight, he made it instead the "object of play and artful manipulation". The model for a collection of metamorphosis myths derived from a pre-existing genre of metamorphosis poetry ...

Metamorphoses - Wikipedia

Literary adaptations of games are prone to extremes, either being barely interactive, literal retellings, or pretty much just regular games only tangentially related to the source. Metamorphosis instead takes Kafka's own blending of the impossible and the depressingly real, and creates its own world with it.
