The first major scramble for Africa was in the 19th century, when Europe carved it up like it was their property. The second was during the cold war, when East and West seek allegiances of newly independent African states. We are witnessing a third scramble that is less obvious, and more behind the scenes with "investments" and "wars".

The New Scramble For Africa | MuslimMatters.org
A new scramble for Africa marks the beginning of the latest chapter in the plunder of the continent. The United States and Europe, but also rising powers like China, seek to consolidate their grip on Africa's oil, its minerals, and other resources, all worth more every day because of a massive boom in the price of oil and raw materials.
