We distributed pocket guides to our Hospitalist last year and have just begun including a pocket guide in our New Physician Packet. When the new physicians swing thru we tell them what the pocket guide is and that it can be a resource for them to use on the floor. I have actually seen a couple of our drs. refer to them on the floor.

### Physician Pocket Guide — ACDIS Forums

The Association of Clinical Documentation Improvement Specialists (ACDIS) released the 2016 CDI Pocket Guide in November. This durable, one-of-a-kind resource is now completely updated for ICD-10. It includes new clinical references and an expanded comorbid conditions section of secondary diagnoses with high impact on MS-DRGs and APR-DRGs, as well as quality and CMS pay-for-performance outcome metrics.
