The River At Center Of

The River Center venue was designed to honor the history of the building, featuring high ceilings, exposed brick walls, and reclaimed wood. The River Center offers guests a large main floor, sizable mezzanine which overlooks the main floor, a private suite, and covered outdoor patio.

Home - The River Center

For over 20 years The River Center has been supporting the Eastern Monadnock region. Our programs fill a needed void in the communities we serve. Without The River Center, community members would have to drive to Keene or Antrim for the types of programs we provide - a hardship many would not be able to overcome.

This past weekend we welcomed back the @tcbbridalshow, marking our first public event since March. Adhering to our Health & Safety commitment, hundreds of attendees came down to Saint Paul over a span of 5-hours and sauntered through a wide range of wedding vendor exhibits, guided by 250 6-foot physical distancing stickers and many newly implemented precautionary measures.

Saint Paul RiverCentre

The River Center features live aquatic tanks, interactive exhibits, and a touch tank that represent the Loxahatchee River system from a freshwater cypress swamp to seagrass-dominated estuary to marine ecosystems. The center provides a fun, educational opportunity for school children, ...

Commercial satellite imagery of the Yongbyon Nuclear Scientific Research Center from August 6 reveals significant flooding along the Kuryong River, perhaps the worst in the past several years. Despite ongoing efforts to improve the embankment along the river against annual flooding, they failed to meet the challenge of this year's rising waters, which reached the pump houses.
