Trade Unionism In Australia: A History From Flood to Ebb ...

Between 1850 and 1869 about 400 unions were formed in Australia. These early unions represented craft-based workers such as stonemasons and carpenters, as well as informal combinations of craftsmen and other workers such as shop assistants, labourers and miners. Many of these trade unions were formed to assist members during illness, death and unemployment.

Trade Union Movement in Australia

The Australian labour movement began in the early 19th century and since the late 19th century has included industrial and political wings. Trade unions in Australia may be organised on the basis of craft unionism, general unionism, or industrial unionism. Almost all unions in Australia are affiliated with the Australian Council of Trade Unions, many of which have undergone a significant process of amalgamations, especially in the late 1980s and early 1990s. The leadership and membership of unio

Australian labour movement - Wikipedia

In 1927 unions gathered at the Melbourne Trades Hall building and formed the Australasian Council of Trade Unions as the movement's peak body, later renamed the Australian Council of Trade Unions, or ACTU. This was an important step towards greater cooperation among the union movement, and it came at a vital time.

Australian Council of Trade Unions - Wikipedia

A trade union (or a labor union in the U.S., or a union in Australia) is an organization of workers who have come together to achieve many common goals, such as protecting the integrity of their trade, improving safety standards, and attaining better wages, benefits (such as vacation, health care, and retirement), and working conditions through the increased bargaining power wielded by the creation of a monopoly of the workers. Labour unions typically fund the formal organization, head ...

Trade union - Wikipedia
